

City Birds

Admit Date: 9/20/05 Case# _____ Name of bird: BronzeBand
Species: Pigeon Age: Young Markings: Blue Bar, with bronze bars,
white flights on each wing, white back,
smallish. Squeaked. - Ceres grey/pink-

Finder: David d'Arcy Home# 212 794 6593

Work# _____

Cell# 646 522 65 80

Find Date: 9/20/05 Find Location: 70th / 2nd Ave NYC 10021

Address: 330 E71st #2E
NYC NY 10021

Finder Observations: Flung it self down to the ground while I was feeding one leg
white bird. Pulled itself around on it's wings and one knee. BronzeBand was ravenous -
didn't care I was inches away. An easy catch. Broken pelvis and right
leg

Outcome: _____ Final Date _____
